Marion wants to help steal them back, even though that means abandoning the Winter Court to war. And Seth can't seem to tell Marion no. He wants Marion nearby. Very nearby. Possibly in his teeth. See, Seth has this little problem where he's developing a killing urge, and it seems to be centered primarily on the half-angel girl who adores him. It conflicts with everything Seth believes himself to be: a moral man, a doctor who heals instead of hurts. Yet he's obsessed with Marion. She wants her memories, and he wants her to have them as much as he wants her blood. They'll work together to make Marion whole, come hell or high water. Even if it means war. Even if it means Seth might hurt Marion. And damned be the consequences... \* \* \* About **Cast in Faefire** Marion Garin, the Voice of God, is due to marry the Prince of the Autumn Court by the end of the week - assuming that the world's preternatural leadership doesn't have anything to say about it. He's ready to take drastic steps. Maybe even make a bargain with the vampires. But what the gods want, they get. And they don't appreciate being defied. But when her headstrong tendencies land her in hot water, she finds herself assigned to a new location: a dangerous stretch of highway, spanning several states, known for unsolved murders and missing-persons cases. Rylie, still haunted by a near miss with a murderer during her childhood, knows this area all too well. It was one she hoped never to return to. Victims are found strung to mile markers along the highway, an eerie trademark of a serial killer. Rylie and her new partner must track down the killer, but the pattern of murders is baffling. With the FBI breathing down her neck, time is running out, and as the pressure ramps up, Rylie finds herself in the middle of a cat-and-mouse game with a killer more deranged than she could have ever imagined. Can Rylie stop the murderer before he kills again? Or will she herself be the next victim? A complex psychological crime thriller full of twists and turns and packed with heart-pounding suspense, the RYLIE WOLF mystery series will make you fall in love with a brilliant new female protagonist and keep you turning pages late into the night. It is a perfect addition for fans of Robert Dugoni, Rachel Caine, Melinda Leigh or Mary Burton. Books #2 and #3 in the series—*CAUGHT YOU* and *SEE YOU*—are now also available.
