**Everything Conceivable** Feb 20 2022 Award-winning journalist Liza Mundy captures the human narratives, as well as the science, behind the controversial, multibillion-dollar fertility industry, and examines how this huge social experiment is transforming our most basic relationships and even our destiny as a species. Skyrocketing infertility rates and dizzying technological advances are revolutionizing American families and changing the way we think about parenthood, childbirth, and life itself. Using in-depth reporting and riveting anecdotal material from doctors, families, surrogates, sperm and egg donors, infertile men and women, single and gay and lesbian parents, and children conceived through technology, Mundy explores the impact of assisted reproduction on individuals as well as the ethical issues raised and the potentially vast social consequences. The unforgettable personal stories in *Everything Conceivable* run the gamut from joyous to tragic; all of them raise questions we dare not ignore.

**What to Do When You're Having Two** Nov 27 2019 Revised and updated in 2020 The creator of Twiniversity delivers an essential update to her must-have manual to having twins, now with expanded info on twin pregnancy and tandem breastfeeding, and advice on the best gear to help save your sanity. With almost two times as many sets of twins today as there were forty years ago, *What to Do When You're Having Two* has quickly become the definitive resource for expectant and new parents of multiples. A mom of fraternal twins and a world-renowned expert on parenting multiples, author Natalie Diaz launched Twiniversity, the world's leading global resource for twin parenting information and support online. Now, with her expanded edition of *What to Do*, she includes new information on breastfeeding, gear, sleep, and having two when you already have one, as well as: • creating your twin birth plan, • maintaining a realistic sleep schedule, • managing tandem breastfeeding, • stocking up on what you'll need (and knowing what high-tech products are now available and what's a waste of money), and • building a special bond with each of your twins. Accessible, informative, and humorous, *What to Do When You're Having Two* is the must-have manual for every parent of twins.

**Great Expectations** Oct 19 2021 Highly praised by expectant parents and childbirth educators alike, this comprehensive pregnancy reference (704 pages) is specifically designed for today's hurried moms (and dads) for getting them through pregnancy and early baby care. Numerous navigation aides in the volume help parents to rapidly access critical information. The beautifully-illustrated, *Your Pregnancy Week-by-Week* section details every body change for both Mom and Baby for nine months with hundreds of timely coping tips. The *Managing Your Pregnancy* section includes: strategies for planning maternity leave; exercise guidelines; what to eat and what to avoid; safe and unsafe medications; and how to locate the best childcare and pediatricians. The illustrated *Baby Gear Guide* warns about unsafe products and offers solid, research-based facts for choosing the safest car seats, cribs, soft carriers, baby diapers and clothing. *Your Guide to Giving Birth* is the most up-to-date labor and birth resource available to parents today. Based on brand-new medical evidence, it helps families to realistically plan for labor and delivery, including detailed "you are there" descriptions for every major intervention and medication they're likely to encounter -- such as epidurals, inductions and cesarean sections. *You and Your Baby* presents a complete guide for the first six months of life after birth. There's mom-friendly advice for post-birth recovery, and baby-sensitive care strategies for feeding, bathing, diapering, soothing and helping a baby to sleep. The book's *Resource Guide* lists over 100 of the best Internet sites for parents. The comprehensive *Pregnancy Dictionary* translates 200-plus pregnancy and medical terms into easy-to-understand lay language. "I have this book as well as *What to Expect When Expecting*, and I find this book to be so much better as it gives a week to week breakdown of what is happening to both mom and baby. I pick up this book each week as my pregnancy progresses and even though not every issue listed in each week's summary necessarily happens to me, it's good to know what I 'could' expect. I would highly recommend this book to any expecting mom!" -- Cynthia, an expectant mother "If you are searching for one book for your pregnancy or for that one book to refer all of your expectant clients to, this book is by far the greatest achievement in childbirth education reading material! Sandy Jones and her daughter Marcie Jones have included absolutely everything an expectant woman and her family needs to know. This book should be on everyone's recommended reading list"--Connie Livingston, BS, RN,

FACCE (Dona), CCE, CLD, birthsource.com "Great Expectations is the perfect resource for moms-to-be. Sandy and Marcie Jones speak to the expectant mother of today in a friendly, approachable tone, and present their thorough information in a way that's great for both quick look-ups, and in-depth reading."--Stacia Ragolia, VP, Community & Parenting, iVillage.com "Accurate, comprehensive, empowering, and current. I see this as being the new Dr. Spock for pregnancy...This is definitely a book I will recommend to my clients who are planning a pregnancy or currently pregnant."--Cherie C. Binns, RN, BS, MSCN
