Carpe Corpus Nov 20 2021 In the small town of Morganville, vampires and humans lived in (relative) peace – until all the rules got rewritten when the evil vampire Bishop arrived, looking for the lost book of vampire secrets. He's kept a death grip on the town ever since. Now an underground resistance is brewing, and in order to contain it, Bishop must go to even greater lengths. He vows to obliterate the town and all its inhabitants – the living and the undead. Claire Danvers and her friends are the only ones who stand in his way. Unseen Dec 10 2020 View our feature on Rachel Caine's *Unseen*. After Cassiel and Warden Luis Rocha rescue an adept child from a maniacal Djinn, they realize two things: the girl is already manifesting an incredible amount of power, and her kidnapping was not an isolated incident. This Djinn-aided by her devoted followers-is capturing children all over the world, and indoctrinating them so she can use their strength for herself. With no other options, Cassiel infiltrates the Djinn's organization-because if Cassiel cannot stop the Djinn's apocalyptic designs, all of humanity may be destroyed.

Daylighters Jul 05 2020 Something drastic has happened in Morganville while Claire and her friends were away. The town looks cleaner and happier than they've ever seen it before, but when their incoming group is arrested and separated-vampires from humans-they realize that the changes definitely aren't for the better. It seems that an organization called the Daylight Foundation has offered the population of Morganville something they've never had: hope of a vampire-free future. And while it sounds like salvation-even for the vampires themselves-the truth is far more sinister and deadly. Now, Claire, Shane and Eve need to find a way to break their friends out of Daylighter custody, before the vampires of Morganville meet their untimely end.

Feast of Fools Dec 22 2021 In the town of Morganville, vampires and humans live in relative peace. It's only at a formal ball, attended by vampires and their human dates, that Claire realizes the elaborately evil trap he's set for Morganville.
