No Greater Love, No Greater Sacrifice Jul 28 2022 The poems contained in this book were all written at key points in my life. In essence, each poem served as a source of inspiration to get me through dark times and remind me of my dependency on the grace of God. Each piece included in this book focuses on salvation and who you are in God! You may notice that some of these pieces have a unique flow and structure that one would normally associate with lyrics to a song, and such pieces can be converted to contemporary Gospel songs. Because of the connection between these poems and my heart, I feel these are my most personal work. This book is the first of more to come. I hope that in reading these short pieces you too can be inspired to believe. I believe these poems will inspire you, no matter where you may find yourself in life, as they will serve to remind you that you are somebody because God values you! The greatest message God ever proclaimed to humanity was through the sacrifice of His Son Jesus through His death upon the cross. We live in a world that does not value human dignity, a world that treats people as if they are commodities! But I hope to introduce you through these writings, to a higher love. It is my desire that you learn to see yourself through the eyes of God rather than through the eyes of the world!

Remember, better is not good enough! The best is yet to come.

Lost Legacy Sep 25 2019 Joseph Smith's father, Joseph Smith Sr., first occupied the hereditary office of Presiding Patriarch of the Church of Jesus Christ of Latter-day Saints. Thereafter, it became a focal point for struggle between those appointed and those born to leadership positions. This new edition of Lost Legacy updates the award-winning history of the office. Irene M. Bates and E. Gary Smith chronicle the ongoing tensions around the existence of a Presiding Patriarch as a source of conflict between the Smith family and the rest of the leadership. Their narrative continues through the dawning realization that familial authority was incompatible with the LDS's structured leadership and the decision to abolish the office of Patriarch in 1979. This second edition, revised and supplemented by author E. Gary Smith, includes a new chapter on Eldred G. Smith, the General Authority Emeritus who was the final Presiding Patriarch. It also corrects the text and provides a new preface by E. Gary Smith.

No Greater Love Aug 29 2022 No Greater Love Than God's Love New book by author Katherine Scriven is a dramatic tapestry of family, faith, love, and forgiveness Allenhurst, GA - (Release Date TBD) - Being nineteen and pregnant was not how Trina wanted to start her adult life. But that's just what happened. She married the baby's father, Anthony Stevens, a handsome, hotshot hustler whose idea of having it all is to do just that-have it all. John, No Greater Prophet Dec 09 2020 Novel of John the baptizer.

This is Not Sufficient Sep 05 2020 Derrida wrote extensively on "the question of the animal." In particular, he challenged Heidegger's, Husserl's, and other philosophers' work on the subject, questioning their phenomenological criteria for distinguishing humans from animals. Examining a range of Derrida's writings, including his most recent *L'animal que donc je suis*, as well as *Aporias*, *Of Spirit*, *Rams*, and *Rogues*, Leonard Lawlor reconstructs a portrait of Derrida's views on animality and their intimate connection to his thinking on ethics, names and singularity, sovereignty, and the notion of a common world. Derrida believed that humans and animals cannot be substantially separated, yet neither do they form a continuous species. Instead, in his "staggered analogy," Derrida asserts that all living beings are weak and therefore capable of suffering. This controversial claim both refuted the notion that humans and animals possess autonomy and contradicted the assumption that they possess the trait of machinery. However, it does offer the foundation for an argument—which Lawlor brilliantly and passionately defines in his book—in which humans are able to will this weakness into a kind of unconditional hospitality. Humans are not strong enough to keep themselves separate from animals. In other words, we are too weak to keep animals from entering into our sphere. Lawlor's argument is a bold approach to remedying "the problem of the worst," or the complete extermination of life, which is fast becoming a reality.

No Greater Glory: Third Edition Apr 24 2022 The 144th Ohio Volunteer Infantry formed in May 1864 with the express purpose of performing rear area guard duty, far removed from the front lines of the Civil War. But when Confederate General Jubal Early's army threatened Washington, the 144th Ohio sallied forth to stop it. Relive in the soldiers' own words the experiences of that last summer of the Civil War. Witness first hand the vicious fighting along the banks of the Monocacy River and agony of the Berryville Wagon Raid. This expanded third edition features an improved layout, regimental roster, and index along with several new photos. Drawing extensively from previously unpublished sources, **No Greater Glory** tells the complete story of northwest Ohio's forgotten regiment, the 144th O.V.I.

No Greater Sacrifice Sep 17 2021 This story proves that there is such a thing as the "American Dream". It is about a mother, Dolores L. Garcia, a courageous lady who believed in herself and her children. It is also the story of a five year old boy who under her guidance began selling limes in a street corner in Laredo, Texas and became very successful in the meat industry and in real estate. Their beginning was no different than many others in the predominantly Hispanic community. However, most families were so busy making ends meet that they couldn't get out of the vicious cycle they found themselves in. Luckily, Dolores had a three part formula to succeed: work hard, plan for the future, never let go of your dreams. This plan gave a five year old boy great success. Dolores became a widow when she was thirty years old. She had ten children, including a set of twins in ages from newborn to a 13 year old. Because her husband was a good provider to her and her children, Dolores led a very sheltered life. Because her husband did most of the shopping, she did not even know how to buy groceries. She lived in government-assisted housing and worked two jobs from 6:00 to midnight to make ends meet. Within

five years, she bought a house and a car. The spirit and strengths she possessed she passed to her seven daughters and her two year old son, the author of this book. All of her children became successful and they utilized their God-given gifts. They applied all the guidance and life lessons that their mother passed on to them. This is a story that will affect every reader and help them cope in facing adversity.

No Greater Love Dec 21 2021 Behind prison bars, Jose Martinez watches his fellow Republican comrades forced into a bullring and machine-gunned to death in the first days of the Spanish civil war. He wonders why his life was spared -- or are the victorious soldiers of the Nationalist Army preparing a fate even worse for him? Decades in the making, the political and religious clash between progressive and conservative Spaniards has turned deadly. Like all civil wars, this one tears apart Jose's family as well as the nation. Into the maelstrom comes sibling jealousy, disputes over beliefs, aggrieved betrayal, and simple lust -- all threatening the togetherness of a family. Added to this turmoil is the dying, innocent request of Jose's mother for him to make a spiritual pilgrimage for her to Santiago de Compostela -- but at what cost? While this story is a work of fiction, it reflects real events that happen to real people. The novel is intended for an American audience who share with the Spanish the memory of a civil war in their historical background. The cultural conflicts that gripped Spain three-quarters of a century ago find similar echoes in the present-day political environment of the United States.

No Greater Valor Oct 19 2021 Jerome Corsi's newest opus, No Greater Valor, examines the Siege of Bastogne—one of the most heroic victories of WWII—with a focus on the surprising faith of the Americans who fought there. In December of 1944, an outmanned, outgunned, and surrounded US force fought Hitler's overwhelming Panzer divisions to a miraculous standstill at Bastogne. The underdogs had saved the war for the Allies. It was nothing short of miraculous. Corsi's analysis is based on a record of oral histories along with original field maps used by field commanders, battle orders, and other documentation made at the time of the military command. With a perspective gleaned from newspapers, periodicals, and newsreels of the day, Corsi paints a riveting portrait of one of the most important battles in world history.

No Greater Love Jun 26 2022 Forbidden romance, an unlikely martyr and an even more unlikely hero. Orphaned four years earlier when their parents, active in the African National Congress (ANC) movement against apartheid, were murdered—16-year-old Chioma and her 15-year-old brother Masozi now live and work on an Afrikaner family's farm. When Chioma and Andrew, the farm owner's son, find themselves attracted to one another, tragedy revisits their lives. Chioma escapes to join an ANC rebel band in her effort to survive and gain revenge for her family and culture. When cultures clash in life-or-death struggles, Chioma must choose between violence and revenge—or forgiveness and selfless love. Loosely based on historical events and set near Pretoria, South Africa, in the violent upheaval prior to ANC leader Nelson Mandela's release from prison in 1990 and his ascendance to the presidency of South Africa, this story of forbidden romance produces an unlikely martyr who is replaced by one even more unlikely.
