American Light Trucks and Utility Vehicles, 1967-1989 Jan 11 2021 The truck's role in American society changed dramatically from the 1960s through the 1980s, with the rise of off-roaders, the van craze of the 1970s and minivan revolution of the 1980s, the popularization of the SUV as family car and the diversification of the pickup truck into multiple forms and sizes. This comprehensive reference book follows the form of the author's popular volumes on American cars. For each year, it provides an industry overview and, for each manufacturer, an update on new models and other news, followed by a wealth of data: available powertrains, popular options, paint colors and more. Finally, each truck is detailed fully with specifications and measurements, prices, production figures, standard equipment and more.

**To D-Day and Back** Feb 21 2022 In the predawn hours of D-Day, June 6, 1944, which would become immortalized as the Longest Day, Bob Bearden and his comrades in the 507th Parachute Infantry Regiment jumped into the inky skies over Normandy. Their mission: defend the west bank of the Merderet River against German counterattack. After long months of training they were finally taking the war to the Germans. Beardens time in combat proved shortlived, however, when he was captured on D+2, June 8. This was only the beginning of a new war for his very survival through multiple German POW camps and ultimately on an epic journey that would take him largely on foot all the way to Moscow on his journey home, all of which makes for exciting reading in this remarkable memoir.

**Mit S.Y. Braveheart durch Hurrikan Debie** Jun 03 2020 Hier soll aufgezeigt werden, das ein Überstellungstörn nicht immer ein "Honiglecken" ist. Wieso Möchtegernskipper den Profis die Arbeit wegnehmen indem sie für einen Überstellungstörn den Charterfirmen noch Geld bezahlen, nur weil sie Seemeilen sammeln wollen. Was an einem nur vier Jahre alten Charterboot alles kaputt sein kann. Wie die Angestellten und der Sachverständige ein Boot übergeben, daß alles andere als der Seemannschaft entspricht. Wie die Hafenkaptäne in der Karibik die Crews erpressen wollen. Wenn ein für zehn Tage veranschlagter Überstellungstörn durch Hurrikan Debie dann 43 Tage dauern kann.
