**The Dravidian Languages** Aug 06 2020 This book provides a linguistic overview of the Dravidian language family.

**Telugu-English/English-Telugu Dictionary & Phrasebook** Apr 01 2020 Telugu (from the Dravidian language family) is a native language of over 80 million people, predominantly in the

states of Andhra Pradesh and Telangana and also in Yanam of India. An additional 20 million Telugu speakers spread over other parts of South India, the U.S., Australia and the rest of the world. Telugu is called The Italian of the East as its words end in vowels similar to Italian. Telugu is spoken in 3 distinct dialects: Royalaseema, Telangana and Coastal Telugu. Another prominent Telugu dialect (with a mixture of more Tamil) is spoken in Nellore, Chittor and the border of Andhra Pradesh in Tamil Nadu. This unique, two-part resource provides travelers to South India with the tools they need to communicate in Telugu and experience the regional fully. The bilingual dictionary has a concise vocabulary for daily use, and the phrasebook allows instant communication, from introducing yourself to finding a doctor. Includes 4,000 dictionary entries, phonetics that are intuitive for English speakers, essential phrases for travel and business, and a concise grammar and pronunciation section.

**A Manual of Modern Missions** Mar 13 2021 TRAVANCORE STATE MANUAL Jun 03 2020 This book can be downloaded as a PDF file from here. TRAVANCORE STATE MANUAL was written in the closing years of the 1800s. It is a fascinating book in that the perspective of historical events that took place in the region known as the Indian Peninsula is markedly different from what is being taught in current day schools and colleges. There is need to bring this book out in a

very readable form. That is what has been attempted here. VED from VICTORIA INSTITUTIONS has written a foreword, which aims to elucidate the various differences in perspective, and also tries to focus on varying issues which are nowadays, hidden away from public knowledge. What ultimately comes out as background of unvarying strength is the fact that the English rule, especially that by the English EAST INDIA COMPANY was really of benign qualities, towards the common man of this area. This book contains the story of an independent kingdom at the southern most end of the Indian Peninsula, which lost its independence in 1947, in the wake of a fool coming to power in England.

**A Grammar of the Telugu Language** Feb 21 2022 Library of Congress Subject Headings Feb 09 2021

**User's Guide to Sears List of Subject Headings** Jan 11 2021 The Sears List of Subject Headings, an outstanding name amongst subject headings lists, is used all over the world in small and medium sized libraries. It has constantly been revised and kept up to date, both in its methods and contents, by incorporating new subjects and updated

organizational machinery. Being handy, simple, inexpensive and always current, the Sears List is a convenient choice for teaching subject headings work in library schools. User's Guide to Sears List of Subject Headings, 2nd Edition is a companion book which, although based on the 222nd edition of the Sears List, should also be useful to the libraries using some previous edition. It attempts to explain the theoretical foundations, history and application of the Sears List as well as of the subject headings work in general. It explicates the various hidden potentials of the system to construct subject headings needed for local situations. The object of this small, practical introduction is to be simple, clear and illustrative. The book assumes no prior knowledge either of the Sears List or of subject headings work in general. It is a manual for beginners to understand the importance of vocabulary control, the process of subject analysis, the structure and organization of the Sears List, and the methods to locate, specify and construct subject headings and provide cross references for the public catalogue. Subject headings in the complex areas of languages, literatures, biographical and geographical works are given a chapter each. Review questions and exercises conclude most chapters. A bibliography and glossary are valuable features of this work

### **Telugu Aksharmala - Level 1**

text and work book. This attractive book is used by Vedic Vidyalay 1st year Telugu students who attend after school weekly class. Book is designed to keep in mind that students meet weekly for 10 months approximately 35 lessons. Book also gives glimpses from India's ancient culture, tradition and literature. This book is fully transliterated in English so can be used for self-study also but works best in class environment.

### Critical Discourse in Telugu

May 03 2020 This volume forms a part of the Critical Discourses in South Asia series which deals with schools, movements and discursive practices in major South Asian languages. It offers crucial insights into the making of Telugu literature and its critical tradition across over a century. The book brings together English translation of major writings of influential figures dealing with literary criticism and theory, aesthetic and performative traditions, re-interpretations of primary concepts, categories and interactions in Telugu. It presents 32 key texts in literary and cultural studies representing thoughts, debates, signposts and interfaces on important trends in critical discourse in the Telugu region from the middle of the 19th to the end of the 20th century, with nearly all translated by experts for the first time into English. The volume covers a wide array of themes, ranging from a text by Kandukuri Veeresalingam on women's education to

Challapalli Swaroopa Rani on new readings of the oral literature of the marginalised communities. These radical essays explore the interconnectedness of the socio-cultural and historical developments in the colonial and post-independence period in the Telugu region. They discuss themes such as integrative aesthetic visions; poetic and literary forms; modernism; imagination; power structures and social struggles; ideological values; cultural renovations; and collaborations and subversions.

Comprehensive and authoritative, this volume offers an overview of the history of critical thought in Telugu literature in South Asia. It will be essential for scholars and researchers of Telugu language and literature, literary criticism, literary theory, comparative literature, Indian literature, cultural studies, art and aesthetics, performance studies, history, sociology, regional studies and South Asian studies. It will also interest the Telugu-speaking diaspora and those working on the intellectual history of Telugu and conservation of languages and culture.

### Telugu Language

**MALABAR MANUAL by**

**William Logan** Jun 23 2019

Commentary William Logan's Malabar is popularly known as 'Malabar Manual'. It is a huge book of more than 500,000 words. It might not be possible for a casual reader to imbibe all the minute bits of information from this book. However, in this commentary of mine, I have tried to insert a lot of such bits and pieces of information, by directly quoting the lines from 'Malabar'. On these quoted lines, I have built up a lot of arguments, and also added a lot of explanations and interpretations. I do think that it is much easy to go through my Commentary than to read the whole of William Logan's book 'Malabar'. However, the book, Malabar, contains much more items, than what this Commentary can aspire to contain. This book, Malabar, will give very detailed information on how a small group of native-Englishmen built up a great nation, by joining up extremely minute

bits of barbarian and semi-barbarian geopolitical areas in the South Asian Subcontinent.
