The Kingdom of the Cults Jul 24 2019 A definitive reference volume on cults, major fundamentalist religions, and non-Christian faiths includes coverage of the Jehovah's Witnesses, Mormonism, and Hinduism, outlining their major beliefs while offering advice on countercult ministry.

Matthew Jun 26 2022 The importance of the Gospel of Matthew in church history cannot be overstated. For Jewish readers, it affirmed the Messiahship of Jesus, referring consistently to the Scriptures to establish his credentials. For Gentile disciples, it provided powerful and dramatic support of their inclusion in God's kingdom. The cross of Christ had removed the division between Jew and non-Jew, and through Matthew's writings, we see Israel's God drawing the entire world to himself through Jesus. "The Gospel according to Matthew . . . Was the most widely read and frequently used of any of the four Gospels in the formative years of the church," writes Michael Wilkins. In this volume of the NIV Application Commentary, Wilkins explains Matthew's broad appeal not only to his ancient readers, but also to us today. Exploring the links between the Bible and our own times, Wilkins shares perspectives on Matthew's Gospel that reveal its enduring relevance for our twenty-first-century lives. Most Bible commentaries take us on a one-way trip from our world to the world of the Bible. But they leave us there, assuming that we can somehow make the return journey on our own. They focus on the original meaning of the passage but don't discuss its contemporary application. The information they offer is valuable—but the job is only half done! The NIV Application Commentary Series helps bring both halves of the interpretive task together. This unique, award-winning series shows readers how to bring an ancient message into our present-day context. It explains not only what the Bible meant but also how it speaks powerfully today. "This series promises to become an indispensable tool for every pastor and teacher who seeks to make the Bible's timeless message speak to this generation." Billy Graham "It takes more than interpretation of God's Word to change lives, it takes application. Application is the bottom line in preaching and teaching. Without it, we've missed the point of the Bible. The NIV Application

Commentary is an outstanding resource for pastors and anyone else who is serious about developing ‘doers of the Word.’” Rick Warren, Pastor Saddleback Valley Community Church

Alien Entanglement Oct 19 2021 She looks down at Earth through the front portal of her space craft, excited that she will soon be arriving home. She wants her last days to be spent on Earth even though she has never been there before. She does not have a human body and she has never seen a complete human being. The most human thing about her is her brain. It is very frustrating to her that she cannot communicate in a spoken or written language. What if her spaceships are being followed? She nervously checks the rear portal for evidence of pursuing enemy ships. She is conflicted, she wants to go to Earth to see her people and protect them. But the journey there may end up with its destruction if the enemy knows where her spacecrafts are heading. If Earth is to survive, the enemy cannot know of the experiments conducted there a very long time ago. At any cost she will not allow the humans to suffer the same horrible fate that she has had to endure all her life. Her inaction may cause the purging of the “human essence” from her people. She must act fast - there is very little time before her masters arise. She must quickly come up with a plan that will leave the humans as they are – alive and human. First she will have to recruit a few others like her while keeping her hibernating masters oblivious to her scheme. Fortunately, she is in charge while her masters hibernate. After the plan has been communicated to her recruits, she must not think about it anymore. After all, when the masters awaken, they will instinctively know something is wrong. This is the backdrop to an exciting journey about alien-human entanglement. Human characters, using alien implanted communication methods, become the mediators between two warring alien nations. A page turner with a difference, it explores the humanness in a way that has not yet been done before. Ultimately, will the humans be able to stop the aliens from annihilating each other and demolishing Earth in the process? Humans are computers with viruses, only this virus is different...

The Routledge International Handbook of Embodied Perspectives in Psychotherapy Jul 16 2021 There is a growing interest in embodied approaches to psychotherapy internationally. This volume focuses on the respective focal professions of dance movement psychotherapy (DMP) and body psychotherapy (BP), addressing the psychotherapeutic need for healing throughout the lifespan. Within embodied clinical approaches, the therapist and client collaborate to discover how the body and movement can be used to strengthen positive relational skills, attending to the client's immediate and long-term needs through assessment, formulation, treatment and evaluation. Both DMP and BP are based upon the capacity and authority of the body and non-verbal communication to support and heal patients with diverse conditions, including trauma, unexplained bodily symptoms and other psychological distress, and to develop the clients’ emotional and relational capacities by listening to their bodies for integration and wellbeing. In *The Routledge International Handbook of Embodied Perspectives in Psychotherapy*, world leaders in the field contribute their expertise to showcase contemporary psychotherapeutic practice. They share perspectives from multiple models that have been developed throughout the world, providing information on theoretical advances and clinical practice, as well as discourse on the processes and therapeutic techniques employed individually and in groups. Presented in three parts, the book covers underpinning embodiment concepts, potentials of dance movement psychotherapy and of body psychotherapy, each of which is introduced with a scene-setting piece to allow the reader to easily engage with the content. With a strong focus on cross- and interdisciplinary perspectives, readers will find a wide compilation of embodied approaches to psychotherapy, allowing them to deepen and further their conceptualization and support best practice. This unique handbook will be of particular interest to clinical practitioners in the fields of body psychotherapy and dance movement psychotherapy as well as professionals from psychology, medicine, social work, counselling/psychotherapy and occupational therapy, and to those from related fields who are in search of information on the basic therapeutic principles and practice of body and movement psychotherapies and seeking to further their knowledge

and understanding of the discipline. It is also an essential reference for academics and students of embodied psychotherapy, embodied cognitive science and clinical professions.

Finding Healing Mar 12 2021 This can be your turning point. God can take the hardest places in your life - the things you never thought you'd overcome - and heal you and set you free so you can use your story to help other people discover their own abundant life. The message of this book is simple: You can be healed and overcome. You can walk in freedom. Through the power of the Holy Spirit and the work that Jesus did at the cross, you don't have to stay trapped in your pain and heartache. No person is doomed to repeat the cycles of the past. You can choose, as I did so many years ago, to start your own journey to healing and freedom and start really living the abundant life Jesus has for you. Are you ready? Let's get started.

Living With Contradiction May 02 2020 These simple and inviting reflections on the Rule of St. Benedict take as their starting point our search for wholeness in a world that is fragmented and increasingly polarized. Many people today struggle to balance the demands of professional and personal lives, and find little satisfaction or peacefulness in either. Yet the ancient wisdom of St. Benedict offers a clear and helpful pathway that leads directly to healing, transformation and new life. Written in de Waal's inimitable style, this book is for old friends of the Rule of St. Benedict and novices alike. Holding up segments of the Rule, de Waal's meditations on Benedict's words illuminate the wisdom of the Rule not only for those of Benedict's time, but for all of us today as well.

Joseph Jun 14 2021 In this profoundly moving meditation on the character of Joseph in the book of Genesis, Sara Savage takes you on a journey of personal transformation. It is a journey that will lead you to new levels of emotional and spiritual understanding. Like Joseph, every human being needs to learn how to handle life's problems - whether threats to identity, relationship breakdown, depression, bereavement, stress, personal failure or other forms of suffering. Skilfully interweaving psychological and biblical insight, Sara Savage takes you deep into the mind and soul of Joseph as he lives and learns through these experiences. In doing so, she shows how, like Joseph, you too can make something beautiful out of the life that you have been given.

NIVAC Bundle 6: Gospels, Acts May 26 2022 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context. To bring the ancient messages of the Bible into today's world, each passage is treated in three sections: Original Meaning. Concise exegesis to help readers understand the original meaning of the biblical text in its historical, literary, and cultural context. Bridging Contexts. A bridge between the world of the Bible and the world of today, built by discerning what is timeless in the timely pages of the Bible. Contemporary Significance. This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages. The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved. This unique, award-winning commentary is the

ideal resource for today's preachers, teachers, and serious students of the Bible, giving them the tools, ideas, and insights they need to communicate God's Word with the same powerful impact it had when it was first written.

The Oxford Handbook of Stress, Health, and Coping Feb 20 2022 Few publications have changed the landscape of contemporary psychology more than Richard Lazarus and Susan Folkman's landmark work, *Stress, Appraisal, and Coping*. Its publication in 1984 set the course for years of research on the dynamic processes of psychological stress and coping in human beings. Now more than a quarter-century later, *The Oxford Handbook of Stress, Health, and Coping* pushes the field even further with a comprehensive overview of the newest and best work in this dynamic subject. Edited by Susan Folkman and comprising chapters by the field's leading scientists, this new volume details the expanded knowledge base that has emerged from extensive research on stress and coping processes over the last several decades. Featuring 22 topic-based chapters -- including two by Folkman -- this volume offers unprecedented coverage of the two primary research topics related to stress and coping: mitigating stress-related harms and sustaining well-being in the face of stress. Both topics are addressed within their relevant contexts, including chronic illness, calamity, bereavement, and social hardship. *The Oxford Handbook of Stress, Health, and Coping* is an essential reference work for students, practitioners, and researchers across the fields of health psychology, medicine, and palliative care.

Fantasy, Forgery, and the Byron Legend Feb 29 2020 Byron was -- to echo Wordsworth -- half-perceived and half-created. He would have affirmed Jean Baudrillard's observation that ""to seduce is to die to reality and reconstitute oneself as illusion."" But among the readers he seduced, in person and in poetry, were women possessed of vivid imaginations who collaborated with him in fashioning his legend. Accused of ""treating women harshly,"" Byron acknowledged: ""It may be so -- but I have been their martyr. My whole life has been sacrificed to them and by them."" Those whom he spell bound often returned the favor in their own writings tried to

Introduction to Green Chemistry Aug 24 2019 Interest in green chemistry and clean processes has grown so much in recent years that topics such as fluorous biphasic catalysis, metal organic frameworks, and process intensification, which were barely mentioned in the First Edition, have become major areas of research. In addition, government funding has ramped up the development of fuel cells and biofuels. This reflects the evolving focus from pollution remediation to pollution prevention. Copiously illustrated with more than 800 figures, the Third Edition provides an update from the frontiers of the field. It features supplementary exercises at the end of each chapter relevant to the chemical examples introduced in each chapter. Particular attention is paid to a new concluding chapter on the use of green metrics as an objective tool to demonstrate proof of synthesis plan efficiency and to identify where further improvements can be made through fully worked examples relevant to the chemical industry. **NEW AND EXPANDED RESEARCH TOPICS** Metal-organic frameworks Metrics Solid acids for alkylation of isobutene by butanes Carbon molecular sieves Mixed micro- and mesoporous solids Organocatalysis Process intensification and gas phase enzymatic reactions Hydrogen storage for fuel cells Reactive distillation Catalysts in action on an atomic scale **UPDATED AND EXPANDED CURRENT EVENTS TOPICS** Industry resistance to inherently safer chemistry Nuclear power Removal of mercury from vaccines Removal of mercury and lead from primary explosives Biofuels Uses for surplus glycerol New hard materials to reduce wear Electronic waste Smart growth The book covers traditional green chemistry topics, including catalysis, benign solvents, and alternative feedstocks. It also discusses relevant but less frequently covered topics with chapters such as "Chemistry of Long Wear" and "Population and the Environment." This coverage highlights the importance of chemistry to everyday life and demonstrates the benefits the expanded exploitation of green chemistry can have for society.

The Talmud of Relationships, Volume 1 Jun 02 2020 How can I tame my ego? How might I control my anger? How might I experience the spirituality of sexual intimacy? How can I bestow appropriate honor on a difficult parent? How might I accept my own suffering and the suffering of those whom I love? Enter the Talmudic study house with innovative teacher Rabbi Amy Scheinerman and continue the Jewish values–based conversations that began two thousand years ago. The Talmud of Relationships, Volume 1 shows how the ancient Jewish texts of Talmud can facilitate modern relationship-building—with parents, children, spouses, family members, friends, and ourselves. Scheinerman devotes each chapter to a different Talmud text exploring relationships—and many of the selections are fresh, largely unknown passages. Overcoming the roadblocks of language and style that can keep even the curious from diving into Talmud, she walks readers through the logic of each passage, offering full textual translations and expanding on these richly complex conversations, so that each of us can weigh multiple perspectives and draw our own conclusions. Scheinerman provides grounding in why the selected passage matters, its historical background, a gripping narrative of the rabbis' evolving commentary, insightful anecdotes and questions for thought and discussion, and a cogent synopsis. Through this firsthand encounter with the core text of Judaism, readers of all levels—Jews and non-Jews, newcomers and veterans, students and teachers, individuals and chevruta partners and families alike—will discover the treasure of the oral Torah.

Existential and Spiritual Issues in Death Attitudes Feb 08 2021 Existential and Spiritual Issues in Death Attitudes provides: an in-depth examination of death attitudes, existentialism, and spirituality and their relationships; a review of the major theoretical models; clinical applications of these models to issues such as infertility, bereavement, anxiety, and suicide; and an introduction to meaning management theory and how it can be applied to grief counseling. In this new volume, death is treated both as a threat to meaning and as an opportunity to create meaning. The first section introduces theory and methodology to connect the latest empirical research on death attitudes to the philosophical/psychological existential and spirituality literature. Part II presents the latest empirical research on subjects such as end-of-life decisions and living with HIV. The final section considers therapeutic applications to issues including suicide, infertility, bereavement, and anxiety. The concluding chapter highlights the book's common themes and provides questions to encourage further investigation of the most critical topics. Psychologists, counselors, social workers, physicians, nurses, and religious leaders, as well as academics in the fields of psychology, gerontology, philosophy, religion, counseling, social work, sociology, and medicine will value this new resource. Main points summarize important ideas of each chapter, making it an appropriate text in courses on death and dying and/or and spirituality. Its clinical applications will appeal to practicing professionals.

Prc Nov 07 2020 This manifesto was created, in hope, to help the reader in fostering change and increasing life's stability to thrive in any situation, with "PERSEVERANCE, RESILIENCE and COURAGE with GRACE". I have witnessed the positive results of this Prescription (Rx). It takes COURAGE to start all over again, with PERSEVERANCE and RESILIENCE as your companions. Unblur your mind and become GREAT!! It took those three words that describe me; naturally, they were always a part of me. God blesses each human with a gift; we just have to take the time to do some soul searching, self-reflection to find our purpose and passion. It is written in Proverbs 18:16 "Our gifts will make way for us" My life is a message of hope, and it is my prayer that you will find thismanifesto, inspiring and motivating!!

The Ideology of Democratism Oct 26 2019 A unique reinterpretation of democracy that shows how history's most vocal champions of democracy from Jean-Jacques Rousseau and Thomas Jefferson to John Rawls have contributed to a pervasive, anti-democratic ideology, effectively redefining democracy to mean "rule by the elites." The rise of global populism reveals a tension in Western thinking about

democracy. Warnings about the "populist threat" to democracy and "authoritarian" populism are now commonplace. However, as Emily B. Finley argues in *The Ideology of Democratism*, dismissing "populism" as anti-democratic is highly problematic. In effect, such arguments essentially reject the actual popular will in favor of a purely theoretical and abstract "will of the people." She contends that the West has conceptualized democracy-not just its populist doppelgänger-as an ideal that has all of the features of a thoroughgoing political ideology which she labels "democratism." As she shows, this understanding of democracy, which constitutes an entire view of life and politics, has been and remains a powerful influence in America and leading Western European nations and their colonial satellites. Through a careful analysis of several of history's most vocal champions of democracy, including Jean-Jacques Rousseau, Thomas Jefferson, Woodrow Wilson, John Rawls, and American neoconservatives and liberal internationalists, Finley identifies an interpretation of democracy that effectively transforms the meaning of "rule by the people" into nearly its opposite. Making use of democratic language and claiming to speak for the people, many politicians, philosophers, academics, and others advocate a more "complete" and "genuine" form of democracy that in practice has little regard for the actual popular will. A heterodox argument that challenges the prevailing consensus of what democracy is and what it is supposed to be, *The Ideology of Democratism* offers a timely and comprehensive assessment of the features and thrust of this powerful new view of democracy that has enchanted the West.

Lead Us Not Into Temptation Dec 29 2019 *Lead Us Not Into Temptation* is a spiritual book as given to me by God. This book is different from other spiritual books in that it connects man with his sole link to God and that is through his own soul. Regardless of one's religion or persuasion, this book is for all people to find their way back to God. For secularism, religion and intellectualism have failed miserably in bringing true peace and love into this world, be it in the past, our present and probably in our future also. Jesus once said, "truly, truly you must be born again of the spirit. For that which is of water is water (the body), and that which is of spirit is spirit. For the Father is spirit and for us to worship Him we must worship in spirit and in truth." This is a universal law, the same for all people all over the world, regardless of their religious beliefs. For we all worship the same one God, and He must be worshipped in spirit and in truth. The purpose of this book is to help people change from their secular life to a spiritual life and to develop a closer walk with God in their daily lives. By which we then begin to worship God the Father in spirit and in truth. This is the one pathway never chosen by man and is the pathway to peace on earth and good will towards all men. It is the pathway to the salvation for all mankind. Part One: *Lead Us Not Into Temptation* explores the history of man back to the Garden of Eden and the first temptation where man falls from grace. Man after that incident embarks on a journey of secularism, worldliness and materiality, which only separates him more and more from God. Although man has had the opportunity to live in the time of the great prophets of God and with Jesus himself, he has still maintained a steady course in his secular/worldly lifestyle constantly refusing to follow the spiritual path of God. This stubbornness of man has brought him to where we find our world today, in the grips of a huge recession and probably a depression, and world tensions and terrorism threatening the peace of the world. Part Two: *Deliver Us From Evil*, teaches how one can develop a life of spirituality and redemption from both God and from oneself. I begin with the prophecies of God as given to us in the Holy Bible and in the Bible codes. I explain how these prophecies line up with our generation living on Earth right now and are 100% accurate and have all been fulfilled to date. They are God's warning to us that we cannot go on living worldly/secularly lives for we are reaching the end of the road: the End Times as predicted in the bible. It is a warning meaning we can change the future from doom and gloom to eternal bliss, but it is up to each of us. That unless we are willing to make some very fundamental changes in our lives towards one another and to God, we won't survive as a civilization That without faith, hope and love in God we are

doomed to repeat our mistakes. I teach the power of prayer and how that through prayer with God, one will find the answer and changes for their lives. I show how a prayer life is the only link we have to God the Father. Through daily prayer, one will begin the process of recreating a life of spirituality. I teach the principles of a spiritual life and the fruits of God's Holy Spirit. How God works the fruits into your life changing you from your former self (imperfections and dislikes) into the new person filled with the wonderful fruits of God's Holy Spirit. I explain that the key of life is love for without love there could be no God, no universe, no us. This book is for all people of all races, all religions to find the cure to life that has escaped them all through the years. It will unite the reader to a one to one relation with God and a healing and rebirth for their souls.

The Vision behind Unconditional BasicIncome Jul 04 2020 #BasicIncome #UBI #BGE? What is "Universal Unconditional BasicIncome"? Are you a bit afraid when thinking about the future? The past is where we learned the lessons. Can UBI not only be a financial floor, but the floor for all of us to finally apply the lessons? What if we stop this unnatural behavior of forcing growth and instead giving time to the seeds to unfold and use this time to regenerate and prepare ourselves to be the solution? Based on years of research about UBI this story shows how a "Universal Unconditional BasicIncome", monthly provided to the people in a decentralized way with the help of the new technology, can help to reconnect to timeless wisdom and finding long term solutions to master a fundamental change into a new life quality and framework for our life on earth. The wonderful people in this story invent the "YangCoin" as a global Cryptocurrency. They call it "Yang"Coin because the most timeless symbol for life is the "YinYangSymbol". And what is missing in the life of most human beings? The "Yin". The unconditional "YangCoin" can be the floor on which the "Yin" can thrive again. There are enough experts in the world who can make this possible. Most of the solutions are already there. This needs more people who know where we all want to go with UBI. It needs you to use the new knowledge to combine it with timeless wisdom to find a new life supporting way of living. Imagine UBI as a bridge into a natural change period. You will read about Tara and Nevio, a President and his family and friends, his team, and their journey from research, questioning, discussing to implementing UBI in their country. become an empowered participant in this evolutionary change we all are going through. This book is bridging generations. The past mistakes are meant to guide us, not to define us.

Finding Me in Him Sep 05 2020 Finding Me in Him is a powerful, compelling, and deeply personal collection of reflections on scripture, family, and the purpose that comes with discovering your God-worth. It is brimming with potent lessons and an insatiable passion for a life in Christ that is as infectious as it is inspiring. After being diagnosed with cancer, Nichole Forbes began to realize how precious life is and felt compelled to share the lessons she has learned along the way. This book combines carefully selected passages from the Bible with personal anecdotes and observations brought together seamlessly by an author who happily describes herself as a work in progress, because "God isn't finished with me yet!"

Migrant Spirituality Jun 22 2019 Migrant Spirituality makes visible the migration stories of African-born migrants to the USA, analyzes their experiences, and appreciates them as a source for theological reflection. The correlation of these narratives with John of the Cross' narrative of The Dark Night reveals

that the dynamic between the concepts of vulnerability, spiritual humility, and God's transformative agency is central to understanding the spiritual dimension of the process of transformation in both narratives.

Changing the Gift Aug 17 2021 Every book starts with an idea that transforms into an outline, and only later becomes a story. No one ever writes a book alone. This book was written in such a way that my daily ups and downs were constantly used as my eyes to see inspiration around me, connecting my personal experiences in life to the things my eyes saw. The purpose of this book is to emphasize the deep spiritual values that one has in oneself. It is a collection of short stories about my days—stories about how I feel or what inspired me on that day. It reflects my vision and dreams, and I hope that as you read this book you, as a reader, will be inspired too.

Finding Meaning in the Experience of Dementia Aug 29 2022 This groundbreaking book is based on the findings of the first major study on spiritual reminiscence work with people with dementia. Carried out over a decade, the study confirmed spiritual reminiscence to be an effective means of helping people with dementia to find meaning in their own experience, and interact in meaningful ways with others. The authors present the evidence for the efficacy of spiritual reminiscence with this group, and drawing on examples demonstrate its many benefits, as revealed by the study, including the affirmation of identity

and worth whilst promoting resilience and transcendence; reducing levels of depression; and giving people with dementia a voice with which to express grief, despair, joy, wisdom, insight and humour. Specific practice issues are addressed, including how to maximise communication and nurture connections during sessions; the role of symbol, ritual and liturgy and how to design an effective spiritual reminiscence program. Transcripts of sessions are included throughout the book as examples, providing unprecedented insight into how people with dementia experience spiritual reminiscence, and encouraging reflective practice. The book closes with a set of suggested questions and discussion topics which can be used as the basis of a six week program. Providing theory and the latest research as well as a wealth of practical information and examples to guide practice, this book will be of interest to dementia care practitioners and activity coordinators, pastoral carers, aged care chaplains, practical theologians, students, academics and researchers.

New Light Through Old Windows: Exploring Contemporary Science Through 12 Classic Science Fiction Tales Jan 22 2022 This book presents the reader with some of the earliest classic SF short stories – all of them published between 1858 and 1934, featuring both well-known and long-forgotten writers – dealing for the first time with topics to which science had (some) answers only at much later stages. This includes aspects of alien life forms, transmogrification, pandemics, life on Mars, android robots, big data, matter transmission and impact events to name but a few. The short stories are reprinted in full alongside extensive commentaries which also examine some of the latest scientific thinking surrounding the story's main theme and provide the reader with suggestions for further reading.

Are You Ready for a New Life? Sep 29 2022 "Trust in the Lord with all your heart; do not depend on your own understanding. Seek His will in all you do, and He will direct your paths. Don't be impressed with your own wisdom. Instead, fear the Lord and turn your back on evil. Then you will gain renewed health and vitality. Honor the Lord with your wealth and with the best part of everything your land produces. Then He will fill your barns with grain, and your vats will overflow with the finest wine. My child, don't ignore it when the Lord disciplines you, and don't be discouraged when He corrects you. For the Lord corrects those He loves, just as a father corrects a child in whom He delights. Happy is the person who finds wisdom and gain understanding. For the profit of wisdom is better than silver, and her wages are better than gold. Wisdom is more precious than rubies; nothing you desire can compare with her. She offers you life in her right hand, and riches and honor in her left. She will guide you down delightful paths; all her ways are satisfying. Wisdom is a tree of life to those who embrace her; happy are those who hold her tightly." (Proverbs 3:5-18) I have matured to the point of trusting Jesus Christ in all areas of my life. In the areas of my health, finance, personal and spiritual growth, I surrender all to Him. We must learn to obey His guidelines for our lives. But in order to do this, we must know Him and

honor Him. Alleluia - Thank You Jesus Christ for all things!!!

The Grandfamily Guidebook Dec 09 2020 Are you one of nearly 3 million grandparents across North America raising your grandchildren as part of a grandfamily? You may have done all this parenting stuff before, but times have changed since you raised your own kids, and you likely never thought you'd be raising kids again. What has led to all these family issues and the growing need for grandparents to step up? Now more than ever, substance use and addiction have made many birth parents simply unfit for the job, whether the problem is alcohol, opioids, or other drugs. Family dynamics might also be undermined by parents' mental health or medical problems, incarceration, or a simple lack of preparedness for family responsibilities. Whatever the reason for your new role, you must now help your grandchildren adjust to their extended family as part of their everyday life, through the best care you are able to provide. While your new role means that you will likely have to change the way you live, the kinship care you provide your grandchildren might make all the difference in the world. In The Grandfamily Guidebook—which leading medical experts have called a “must-have” resource for grandparents raising grandchildren—authors Andrew Adesman, MD, and Christine Adamec offer expert medical advice, helpful insights gleaned from other grandparents, and data mined from the 2016 Adesman Grandfamily Study—the broadest and most diverse research study of its kind to date. You'll also find hands-on tips you'll be able to reference whenever you need them, including how to cope with difficult birth parents, school issues and social-life challenges, problem behaviors that stem from a difficult past, and your own self-care. Starting with its foreword by the renowned Dr. William Sears, across this book you will find practical, inspiring help as you navigate the financial impacts, legal considerations, and medical issues that commonly arise when grandparents and grandchildren start becoming a grandfamily.

Jesus Is Not the Son of Yahweh (Jehovah) May 14 2021 If you have some penetration to see Jesus' teaching in four Gospels, you know that Jesus doesn't call Jehovah as God or Father. God or Father seen with the word of truth are not different expression with a morality, a true self, a void, the sky, nothing said in the Oriental Philosophy. Over 2000 years the Christian has been called or believed as “pray as name of Jesus, Amen” but captured in the religion fence, turn away their faces from the word of truth, the true Jesus' teaching and volunteering a slave action cheated by the false of Jehovah with begging and imploring as if the key of relief for Jesus' death of cross and the revival miracle, they don't live the true love or the life mercy in not escaping from all the biding or scare. Now we have to live in the true freedom and happiness going beyond living and death getting a perceive treasure likely to Jesus escaping from mind illusion with the treasure map of the word given to us by Jesus, the way, the truth and the life as the light drives out the darkness. Being spiritually awakened, that is, you see the God, meet and this is the relief to enter into the God's heaven with the forever life. Reviews: “Jesus is not Jehovah's son” is very awful and shocking idea. What they just believe the different of Jehovah and Paul is like to get a graph from a horn bush. Luther couldn't change the religion but this book called the big revolution over the religion. -- Man Sung Park, Carpenter Jesus is not the Son of Yahweh (Jehovah) is the one of the greatest book that defines the truth that Jesus want to teach easily and clearly. As the writer say, if we would know the truth that teaches by Jesus, the Christianity and Buddhism would meet each other and the human would finds the true freedom and happiness which is high dimension over the religion. -- Seung Taek Lee, Prof of University of Foreign Studies This book is to understand easily for Christianity problem that views the reader's mind deeply. This book is not picked up various stories but is expressed what the writer who realized the truth felt and saw through in deep mind. The Gospel in Brief written by

Leo Tolstoy is even for the starting to question for Christianity but this book is important to complete Jesus' teaching. --Jung Bu Jo, Student of Theological School Read this book, what oppose other's religions and we call heresy or Satan in same religions is because they all don't know the truth. I respect more Jesus, foresighted leader realized, after read this book. I hope it's not only all the people find the order and the peace met each other, but also all the religion by this book. --Ye Jin Lee, Teacher of Middle School Why don't Theologians and Ministers know this contents yet? They can't find the truth to know easily like this for 2000 years long. The refinding the truth in Jesus' teaching is the most popular, important event in the world and it will be a bright light for all human. --Woo Nyun Lee, Farmer I went church for 50 years long, but in my mind I always got a question and a doubt. However, this book clears all the question and doubt. I've never heard the book detailed and lectures quoted like this Bible for Jesus' Teachings. I knew now that praying in the Church "the Apostles' Creed" or the doctrine of Christ are not fixed anything else. -- Jun Su Kim, Rep. Publishing Firm. "Jesus said if the person who would eat my flesh and blood, they will live forever." It does not mean that if they believe the blood split from Jesus and the revival of Jesus, they got a forgiveness and a relief and go to the heaven. This book defines that if they follow Jesus' teaching and get the new life beyond the life and death. -- Chang Suk Kim, Homemaker It's the first time to see the uninteresting and difficult book. It's uneasy to understand and a lot to accept in my mind. But it's a book of low balance to blame whom or to support. I am going to compare the contents of this book and t

Handbook for Rhythmical Einreibungen Jan 10 2021 Rhythmic Einreibungen consist of gentle forms of therapeutic massage by nurses, caregivers, and therapists familiar with the methods and principles of Anthroposophy. The German word Einreibung refers to the application of oil or liniments to the body. The methods, first developed eighty years ago by doctors Ita Wegman and Margarethe Hauschka, were initially used only in medicine and nursing. They have since been applied more broadly in other areas of healthcare, nursing homes, hospitals, clinics, special education, and social therapies. This clear, comprehensive manual is intended for all those who wish to use rhythmical Einreibungen professionally or to renew and deepen their knowledge; those who have had some training in the field and want to deepen their knowledge; those who teach rhythmical Einreibungen; and those who would like an in-depth introduction to this effective healing method. The book describes aspects of the anthroposophic image of the human being that are relevant within the context. It discusses important concepts for the application and effectiveness of rhythmical Einreibungen. The book also distinguishes between rhythmical massage and rhythmical Einreibungen and offers details on how the rhythmic quality is created for this particular therapy. The authors also describe the techniques most important in nursing and offer specific exercises that help develop the particular skills needed for this procedure. Dr. Margarethe Hauschka Stavenhagen, (1896-1980) encountered Anthroposophy before becoming a medical doctor. She learned techniques of massage during her initial employment in her uncle's clinic. As a preparation for her work in Dr. Husemann's clinic, and on his suggestion, she studied therapeutic eurythmy and, later, helped Dr. Ita

Wegman develop the method of the rhythmic massage. In 1942, she marriage Dr. Rudolf Hauschka in Vienna. Until her death in 1980, she taught and lectured on rhythmic massage and art therapy.
