Handbuch der Gemeindepastoral Jul 17 2021 Gemeindepastoral ist vielerorts

nicht mehr stilsicher. "Was tue ich hier eigentlich," fragen sich die Aktiven. Hier bietet das Handbuch der Gemeindepastoral: - einen Überblick über die Pastoral für Studierende der Theologie. -Orientierungshilfe für Berufsanfänger. -ein Angebot zur Vertiefung und Überprüfung der eigenen Praxis für langjährige Seelsorger. -eine Entscheidungshilfe für Verantwortungsträger. -eine Einladung an Ehrenamtliche in der Gemeinde, die Zusammenhänge des eigenen Engagements zu reflektieren. Das Handbuch zeichnet sich aus durch eine spirituelle Grundierung, ein klares theologisches Konzept, eine praxisnahe Reflexion der Probleme gegenwärtiger Pastoral und eine profilierte Darstellung des Themas: Die Fülle des Glaubens soll in der Pastoral nicht tröpfeln, sondern strömen. Der Autor stellt das gesamte Feld der Gemeindepastoral übersichtlich und aus einem Guss dar und vermeidet dabei überflüssigen Universitätsjargon; er ermutigt zur Territorialeseelsorge gegen den Trend und zur Konzentration der Pastoral auf ihre ureigenen Aufgaben.
