**tuner information center technics tuners** May 20 2022 web a very rare fm only tuner the st 9038 was part of technics professional series our panelist eric not an audiophile nonetheless exclaimed wow this thing really sounds great especially compared to the little sony xdr f1hd sitting beside it at the time we know that wasn't a fair fight the 9038 also compared very favorably to the

**tuner information center sony tuners** Oct 25 2022 web sony xdr f1hd 2008 100 photo service manual search ebay well it's not vintage but this tiny car stereo size hd radio tuner is a terrific performer except for audiophile use our panelist bob says in my situation it's about the same sensitivity and selectivity as my modded tuners which is ok

*tuner information center pioneer tuners* Sep 24 2022 web maybe the full service manual or the data sheet gives more details a ha1156 ic does all the mp3 decoding a ha1137 single chip if amp and discriminator is used for the signal strength meter it is connected before all the limiters so that the meter does not saturate too quickly in the pioneer sx 1250 receiver which goes for big bucks on ebay the ha1137

**yamaha t s500bl am fm tuner black amazon com** Jun 21 2022 web 22 10 2009 i have done a bunch of comparisons with a number of other fm tuners those that are new and those from the 1970s and 1980s the dynamic sound of this tuner was surprising in that it was better in the following areas pulling in stations only the sony xdr f1hd a digital

tuner may have been better other wise

*email auction at mmarsi* Jul 22 2022 web sony xdr f1hd receives hd signals adaptive filtering for noise reduction works warehoused in eldersburg md closes 10 22 22 opening minimum bid 80 00 winning bid 80 00 sold 12194 assorted ttl ic's untested warehoused in laurel md closes 10 22 22 opening minimum bid 5 00 winning bid 5 00 sold 12195

[tuner information center onkyo tuners](#) Aug 23 2022 web his recommendation was buy an analog tuner because digital tuners are garbage well the engineer lost many of us with that comment and most of the contributors who have wanted to hear hd radio have had good things to say about the sony xdr f1hd which can be found for a fraction of the price of the t 4555 onkyo t 4650 and onkyo t 4670
